13. **The internet searching tools.**
14. **Learning about the social bookmarking.**
15. **Really liked the social bookmarking**
16. **I really enjoyed learning about the social bookmarks.**

**How are you going to implement the things you learned today in your classroom in the coming days/weeks/months?**

1. **use more of the free websites, teach the Staff more stuff that I've learned**
2. **I will practice all of them to develop a good working knowledge.**
3. **ENCOURAGE INTERNET USE IN LOWER GRADES**
4. **I WOULD LIKE TO TRY ONE OF THE LEARNING EXPERIENCE ACTIVITIES FOUND ON THE DEPARTMENT LICT WEBSITE; THE ONE RELATED TO HABITATS**
5. **I hope to use Roy the Zebra and Starfall.com. I will also check others bookmarks using del.icio.us**
6. **First, I will try to show the students different ways to research material on the net.**
7. **PPT PRESENTATIONS**
8. **teach more efficient internet searching**
9. **WITH DIFFERENT ACTIVITIES**

10. **I am going to copy the continuum for my grade 7 students, review the components, and have them refer to this as a guide as part of their ELA assessment in their portfolio binders. (sounds complicated but they can do it!)**
11. **refer to new websites in my bookmarking**
12. **Introduce and practise these tools with my students.**
13. **Discuss with my students how to determine whether or not a website is legit.**
14. **will be helpful to book mark sites for students to consult and will be useful when working on committees within the school**
15. **I will use the social bookmarks, as well as the Google functions probably daily!!**
